About 125 walkers from Scott, Mississippi and New Madrid counties set out on a five- mile walkathon this morning to raise funds for United Cerebral Palsy. The walkathon started at Kingsway Plaza Mall at 9 a.m. to collect funds pledged by sponsors at a predetermined rate for each mile walked. The route took the walkers through sections of downtown Sikeston and back to the mall.

TURNING BACK THE CLOCK

The autumn ritual of turning back the hands of time -- for those who don't forget -- will arrive this year on Sunday, Oct. 28, at 2 a.m. when standard time again takes effect. It will be observed in all states except Arizona, Hawaii and part of Indiana, which have chosen under the Uniform Time Act of 1966 to remain on daylight saving time (DST). But energy conservation is "in" this year, and some people have suggested that if daylight savings time really saves daylight, then it might also save energy. The argument goes that if people had another hour of daylight before dusk, they would turn on fewer lights and thus conserve electricity. Year-round daylight saving time was declared during both World Wars in an effort to save a

watt or two. Unforunately, the energy-conservation potential of permanent DST sounds logical but seems to have been OCTOBER 28 - SUNDAY exaggerated. This Halloween nearly four million American school children will be out ringing doorbells and asking having failed, Russian strategy for contributions to the United Nations Children's with Iraq as the main base of Fund. Although support for the United Nations itself has reached an all-time low, UNICEF's popularity with Americans has grown over the years. In 1972 the U.S. Committee for UNICEF collected more than \$8 million from private donations, the sale of greeting cards and Halloween fund-raising drives. The U.S. committee is now the third-largest contributor' to UNICEF -- topped only by the annual contributions from the United States and Swedish governments. UNICEF's total income last year amounted to \$81 million. A target of \$100 million has been set for

UNICEF was established in 1946 by the U. N. General Assembly to assist the children of Europe who were victims of World War II. It now provides long-term aid to children in 111 countries around the world. In addition to its regular programs, UNICEF has established an emergency relief campaign to aid victims of the drought affecting six West African countries. Together with the U. N. UNICEF's contribution will be \$850,000 worth of transport, drilling rigs, steel rods, and other technical equipment. UNICEF is also providing high-protein food and fluids for children and mothers in the six

Halloween benefit drives will help provide the funds needed to maintain the emergency relief program. Communities that organize UNICEF campaigns will also be helping themselves to curtail pranks and mischief. The National Safety Council states: "It is the opinion of the staff of the council that in a community where a UNICEF project is being carried on under very careful adult supervision with wide community participation, the children are safer than in a community where there is not such activity." A UNICEF Halloween will help children everywhere.

Bowman stars in loss

CAPE GIRARDEAU -The Sikeston Bulldogs went down to defeat 29-7 at the hands of the Cape Central High School Tigers here Friday night but not before the Bengals had a big scare

from the underdogs in the first half of play.

The score was a little lopsided but the Bulldogs defense cannot take the blame as "Mr. Defense", Roy Bowman led his chargers

against the highly touted Tiger offense and but for two big plays by Steve C. Taylor in the third quarter, completely shut off the Bengals running game, Taylor was held to only 34 yards rushing in the first half which is very little considering he's the only running threat Cape can come up with this

season. The Bulldog defense, with Bowman leading the charge, held the Bengals scoreless in the first and fourth periods but due to offensive turnovers in the third period finally wore down and the Tigers took the game away.

The same old story that has been written many times before this season came true again as the Bulldog offense just was unable to hold on to the elusive pigskin as two fumbles and four pass interceptions kept the Tigers in the game and brought the Dogs drive to a complete

After a scoreless first period, Sikeston's running game began to come alive with John Farris andTom DeRoush carrying the ball through holes in the Bengal line. With six minutes left in the half Sikeston marched to the 26 yard line where Rick Blankenship surprised the Tigers defense with a pass to Rick Love for the touchdown and Ron Priday kicked the extra point for a 7-0 lead. The lead was short lived and Tiger quarterback Bill Seabaugh loosened up his throwing arm after a bad first quarter aerial show and the Tigers marched down field where Steve C. Taylor burst over from the six yard line.

Roy Bowman crashed through the defense to block the extra point and Sikeston had a 7-6 lead.

After the Bulldog drive bogged down following the kickoff the Tigers began to roll again behind the strong right arm of Bill Seabaugh. With only five seconds on the scoreboard clock before the half, Seabaugh hit Frank McGinty for a touchdown as he only put one foot into the endzone before being pushed back. Cape added the extra point and took a 13-7 lead into the dressing at the intermission.

After the Tigers kicked off to the Bulldogs Sikeston picked up one first down and with a third and five situation quarterback Rick Blankenship threw an interception on the Sikeston 44 yard line and on the first play from scrimmage Taylor went around his left end for 12 yards and on the next play broke down the right sideline for a 32 yard touchdown run. Jeff Hutton missed the extra point and Cape led 19-7.

The Tigers kickoff again and the Bulldogs had the ball on their on 37 yard line when Blankenship fumbled the snap with the Tigers recovering. After a cliping penalty nulified the first TD the Tigers came right back with Bill Seabaugh hitting Kevin Kremer for 19 yards. in the endzone and that was the ball game. The Tigers added a field goal later in the fourth period but Sikeston was unable to move the ball offensively as their passing game was shutoff by the nterceptions.

Bearcats upset PB

the heels of the Poplar Bluff victory over Cape Girardeau, Dexter pulled an upset of its own when the Bearcats defeated the Mules 21-20. The two point conversion play that won the game for the Mules last week backfired last night, when the Bearcats held the Mules' attempt for two points and retained the well earned victory.

Dexter started the scoring in the second quarter when Don Backfish scored on a one yard run. Backfish then kicked the extra point to make the score 7-0 early in the period. Later in the quarter Backfish passed to Stan Burnett for a 14 yard touchdown. Backfish kicked the extra point.

Poplar Bluff got on the score board in the third period when John Casey scored on a quarterback sneak from the one yard line. The extra point attempt was unsuccessful. In the closing minutes of the period Casey passed to Mike Persons for the Mules' second touchdown on a play that covered 77 yards. Casey

DEXTER - Following on converted the extra point on a two point attempt. The score was tied going into the final period.

Dexter scored first in the fourth quarter when Backfish hit Greg Miller on a 38 yard pass play for the Bearcats touchdown of the night. Backfish then kicked the extra point which proved to be the winning point.

The Mules came back late in the game when John Casev ran the ball over from the four yard line. The play that brought the stunning victory last week for the Mules, the two point conversion, was not to be the tonight as the Bearcats held the Mules and won their sixth game of the

RECTOR, Ark. - The Doniphan Dons rebounded from their loss to Illmo-Scott City last week with a 52-0 victory over Rector, Ark.

Randy Farrin got the scoring started when he returned a punt 75 yards for touchdown. Richard Donnell kicked the first of two extra points, to give the Dons a 7-0 lead in the middle of the first quarter. Tim Odom scored late in the first quarter on a 14 yard run, but the extra point was no good.

The second quarter saw two more Doniphan touchdowns to give the Dons a 25-0 lead at halftime. Steve Donnell scored the first

Smith to kick around at Boston's Fenway Park

Smith, a 28-year-old outfielder, is headed for St. Louis along with relief pitcher Ken Tatum in exchange for Cardinal right-hander Rick Wise and outfielder Bernie Carbo.

We're happy, the St. Louis bunch is happy and I hope we'll both be happy next September," declared Boston player personnel director Haywood Sullivan.

The long-rumored deal was officially announced Friday, and St. Louis Manager Red Schoendienst promptly declared Smith his starting rightfielder.

The 28-year-old switch-hitter became the target of boos in Boston last August when he missed a pair of routine flyballs in the outfield. The fans felt Smith was loafing, but the outfielder said he couldn't reach the balls because of

bad knees. Smith angrily labeled Boston "a racist city" and sat out for two weeks. He returned to the lineup to have a fine year, however, hitting .303 with 21 homers and 69 runs batted in.

Smith could not be reached for comment.

St. Louis moved quickly to replace Wise, acquiring 36year-old righty Sonny Siebert from the Texas Rangers for minor league outfielder Tommy Cruz.

The Daily Standard,

J. J. Black, the leading scorer in Southeast Missouri this season, kept his leadership intact with three touchdowns in the game.

The Eagles hardly saw any of the front of the Bluejay jerseys as Charleston scored 10 touchdowns and 10 points via extra points or safety.

J. J. Black kicked off the scoring with a five yad run in the first period. Kent Sutherland, Black's running mate, raced 10 yards with a touchdown. Sutherland scored another TD from eight yards out and Charleston led 20-0 at the end of the first period.

In the second quarter J. J. hit paydirt again and Kent Sutherland took a 28 yard TD pass for a TD and the Bluejays led 32-0 at the half.

After the intermission J. J. broke loose for 65 yards for his third TD of the night. Rick Toon threw the Eagles for a safety in the third period to give the Bluejays a 40-0 lead going into the last period.

Coach Black shuffled in his reserves in the last period but Charleston continued to pour on the scoring as Ralph Mitchell sprinted 15 yards for a TD. Keith Quertermous passed to Ron Mix. Greg Johnson ran 20 yards for a score. Junior intercepted a pass and ran in for the final TD of the game.

Black gained 142 yards rushing on the night before giving way to a serves in the last period. Charleston gained a total of 419 yards on the night. East Prairie was held

to 36 yards. The Bluejays should have their offense in tune for their big encounter with Poplar Bluff here next Friday night for a shot at the northern conference title.

Thursday Night At The Movies

PETER YATES BRINGS THEATRE TECHNIQUE TO FILM DIRECTING

"If a thing is worth doing, it means that is is going to be at least nine or ten months or even a year of one's life," says "Bullitt" director Peter Yates. "Surely it's worth sitting down for two weeks and talking to actors and cameramen.'

Yates, whose taut, sensitive action-trhiller "Bullitt" will be seen as a special film presentation on "The CBS Thursday Night Movies" Thursday, Nov. 1 (9:00-11:15 PM, EST) in color on the CBS Television Network, got his initial training in the business by working with theatre repertory groups.

Moving straight from the Royal Academy of Dramatic Arts in England into a series of jobs as actor, director or stage manager with a series of British traveling groups gave the director a thorough background in the handling of actors and crews.

"We did everything -- a different play every week-and I learned a great deal about the theatre, which transferred finally to film work," explains Yates.

The technique of rehersal, not before each scene but before the start of the shooting schedule, was carried over from theatre to film by Yates.

"I always rehearse before a picture," he says. "This is purely selfish because, although I think it helps the actors considerably, I think it helps the director even more. It allows him to get some idea of how certain characterizations are going to go, and therefore to take advantage of things that an actor can do, before suddenly getting to a scene and finding somebody can do something marvelously.

"I think that films tend to suffer from an over- all lack of style and lack of completeness, and I think that rehearsal helps this."

Very much interested in the style of a picture, Yates modeled "Bullitt" after a very distincitve American film

style-- the gangster picture of the 1930s.

"I felt that that kind of picture had come back into popularity through the late movies on television, the James Cagney thrillers, that kind of thing. What I tried to do was use that format to say something that I felt about America and also to bring the style up to date by taking the picture out on the streets and making it on location," Yates comments.

One crucial scene of the film in which location proved very important and rehearsal and prior knowledge really added to the flavor was the critically acclaimed car chase over the San Francisco hills, with star Steve McQueen on a 100 mph pursuit of a pair of gangsters.

At one point in his directing career, Yates gave up the theatre for a run around the auto track. For two years he was in charge of racing cars in Europe and worked, administratively, with an array of international racing stars. The personal touch of a man who knew his cars and his drivers is very much in evidence in the fastmoving chase sequence of "Bullitt."

10:30 ABC- WORLD OF ENTERTAINMENT- "The Dick Cavett Show" 90 minute late night variety talk show from New York with guest stars Jimmy Hoffa, attorney Melvin Belle & Charles Ashman.

The cases the group inherits are those described as "the bottom of the barrel" or those other departments have given up on.

"Chase" is produced on location in and around Los Angeles and at Universal Studios by Jack Webb's Mark VII Ltd., in association with the NBC Television Network. (Fall, 1973)
